A meeting of Internal Quality Assurance Cell (IQAC) was held on 10<sup>th</sup> January, 2017 at 11:30 a.m. in the office of the Principal.

1. The Committee recommended that since many of the activities were same across all the departmental and other fests of the College, only one day would be given to each department/society/cell to have its fest. This would ensure minimum duplicity and at the same time, the chance to students to have exposure to special talks and extra curricular activities.
2. The Cell observed with discontentment the postponement of the UGC seminar of the College that was to be hosted by the History department this year. The members noted that this was due to non availability of the said grant by the UGC and recommended that henceforth the UGC timelines should be strictly adhered to and no such delay in application for grant should be made henceforth.
3. The Cell noted that the Alumni Meet of the College would be held on 26<sup>th</sup> February 2017.
4. The Cell was apprised of some ad-hoc and contractual teaching and non-teaching appointments in the college. The members interacted with them and welcomed them to the college.
