No. RGNIPM/ Training Invitation/2019/

Date: 21 MAY 2019

To,
The Director,
Delhi College of Arts and Commerce
Netaji Nagar, New Delhi,
Delhi 110023

Subject: Invitation for nominations of short term IPR- Patent, Trademark & Copyrights programs
Reference: Intellectual Property Policy 2016 & Draft Education policy 2016

Sir / Madam,

Greetings from RGNIPM, Nagpur

RGNIPM established at Nagpur is Central Government Institute under the Ministry of Commerce & Industry which is a National center of excellence for training, management, research, education in the field of Intellectual Property (IP) Rights and the Institute is engaged in conducting Training, Awareness programs relating to Intellectual Property Rights.

It is often observed that many inventors are losing the chance of obtaining Patents for their inventions by commercially using or publishing their invention in newspapers or scientific and technical journals and such inventions are thus remains unprotected and lose their exclusive rights and similar thing for other IP rights. At present filing of IP applications by PSU, university, Industries are low despite their significant contribution towards R&D. However, it is observed that the patent applications filed by the Indian Inventors and Companies, are very less as compared to foreign applicants, although we do not lack in any way in talent and capability. It is a common experience that through ignorance of Patent system, inventors jeopardize the chance of obtaining patents for their inventions by commercially using or publishing their invention in newspapers or scientific and technical journals, before applying for patents. **Hence many Indian inventions are not patented and thus remain unprotected.** Therefore, in order to promote the objectives of National IP policy and to safeguard the interest of the inventors & to upgrade IP skills of Teachers, students, scientists, RGNIPM-Government of India, has decided to conduct **"short term skill development training program on IPR- Patent, Trademarks, Copyright etc. as enclosed"** for R&D Centers, Educational institutions, Students, various organizations in order to create awareness for their inventions.

Accordingly, you are requested to depute officials from your organization, further to circulate and encourage to join courses. **Details of course are enclosed herewith.** For further details you may write to rgniipm.ipi@nic.in or visit website www.ipindia.gov.in. Thanking you in anticipation,

Enclosure: Details of courses.

भवदीय,

(Pankaj P Borkar)
Head, RGNIPM
