**FROM DATA  
TO INSIGHTS**

A Hands-on training programme for students

Excel is not merely about "spreadsheets". It is an incredibly powerful and dynamic data visualization platform for those willing to think beyond rows, columns, and primitive pie charts

*AND WE ARE HERE TO PROVE IT.*

14 OCT - 17 OCT  
2:30 PM - 4:45 PM  
(15 min break in between)

**Certificates** will be provided to those who attend all the sessions and score **75%+** in mandatory assessments.
