NOTICE

The Ministry of Home Affairs (MHA) has setup the Indian Cyber Crime Coordination Centre (I4C) to strengthen the capability of prevention, detection, investigation and prosecution of cybercrimes, in a coordinated and comprehensive manner. The MHA has operationalized the National Cybercrime reporting Portal, which provides for a centralized mechanism of complaint reporting by citizens related to cybercrime. In view of the same the following steps have been taken by MHA :-

1. MHA has created twitter handle **@Cyberdost** which provides updates and advisories at regular intervals for prevention of cybercrimes.
2. A portal has been created "National Cyber Crime Reporting Portal" i.e. <https://cybercrime.gov.in>.

The students and all other stakeholders are requested to follow the above twitter handle and take all precautions to save themselves from any kind of cyber crime.
