Dear Sir/ma'am,

Greetings from DULS!

Delhi University Library system is pleased to announce a training session on 18<sup>th</sup> January 2022 on " **Discover Emerald resources for your academic excellence and research** " organized for all students and faculty members of the university

The Emerald end-user training session aims to guide users to get the most out of the subscribed content and use the content platform Emerald Insight effectively. The training session will also help them find and deliver the most relevant and current resources to students, researchers, and faculty members. Find tools and services to engage and make the best use of your access.

The details for the session are as follows:

Session Name	<b>Discover Emerald resources for your academic excellence and research</b>
Date & Time	<b>Tuesday, 18 January 2022   3:00 PM – 4:00 PM</b>
Registration Link	<a href="https://attendee.gotowebinar.com/register/3700170408469146640">https://attendee.gotowebinar.com/register/3700170408469146640</a>

**The session will provide participants with information on:**

- Content subscribed
- Accessing the platform
- Understanding the platform
- Demonstrate features
- Publish with Emerald
- How to guides

We request you to please share the above information among your students and faculty members. I have also attached a banner that can also be used to share the details of the session.

The session will be conducted through GoTo Webinar. All attendees will be provided with a certificate of participation after the session. In case of any query please feel free to write back.
