Dear Second-Year Students,

I am pleased to inform you that our college library has adopted RFID technology and a digital entry system. This change is part of our continuous endeavour to improve and simplify your access to the library's resources and services.

The college is introducing RFID Smart cards, and access to the library will be granted through these RFID smart cards.

If you wish to acquire an RFID Smart Card, we kindly request that you apply via the Google Form available at the link below.

Please note that the application period is from July 25, 2023, to August 8, 2023. Applications submitted after this period will not be accepted.

We encourage you to take advantage of this opportunity and make the most of the resources available in our college library.

Thank you for your attention to this matter. If you have any questions or concerns, please do not hesitate to contact the college Librarian.

Best Regards,

Prof. Rajiv Chopra
