### **AD-Pres 3.0 (January 20, 2023)**

AD-Pres, the legacy of ADroit which was curated by our alumni, is now passed on every year in the ADroit Family. It has always been one of the flagship events of ADroit, where the Freshers participate with zeal and showcase their best skills. The theme for AD-Pres 3.0 was that all the teams had to advertise a non-advertise product/service in a way that could help to boost the Indian Economy.

## Cleanliness drive-in Ridge Forest (October 2, 2022)

On 2nd October, 2022 Prakriti collaborated with TINEB "There is no Earth-B" and organised a clean-up drive in the Ridge Forest situated in Karol Bagh, Delhi. It was organized on the birth anniversary of Mahatma Gandhi an environmentalist and who dedicated his life to spread the message and practice of cleanliness by everyone. The society members gathered at Karol Bagh metro station by 8:50 am and from there they went to the Ridge Forest where they met with the TINEB team. At 9:05 am all the people present there were briefed about the general guidelines to follow by a TINEB member. The clean-up drive started immediately after the briefing of guidelines. The clean-up drive lasted for several hours during which Prakriti members collected all kinds of non-biodegradable materials such as plastic, glass, synthetic fibres etc. The waste was then collected at one place to be measured by a weighing scale. Prakriti's collaboration with TINEB resulted in a collection of 85 kgs of non-biodegradable material. This was followed by the distribution of refreshments by TINEB to all the participants present. It was an enriching experience for everyone. The need to have clean and green spaces was also understood. It was also noted that continuous efforts needed to be made in this direction.
