Summary of Students' Feedback 2022-23

(students enrolled in college in the academic year 2022-23)

Student feedback is obtained through a form available on the college website. Students can fill out the form anytime during their study. This report presents through various charts, tables and graphs, the main findings based on students' feedback. 754 students took the survey and the first 2 charts below present a profile of the respondents.
